INCOSE UK Annual Systems Engineering Conference
Scarman House, Warwick Conferences

15th-16th November 2016

“Building on Success”

This year marks the 22nd anniversary of the formation of INCOSE UK. The theme this year will be focussed on “Building on Success” with sub-themes of:

- Pushing the boundaries of SE Practice
- Realising the value of SE
- Applying SE in Context
- The evolution of a Systems Engineer

Who will benefit from taking part in ASEC 2016?

- Those involved in the resolution of complex socio-technical systems problems and who want to find out how Systems Engineering can be of use to them.
- Organisations looking for innovative solutions to Systems Engineering problems, or wishing to showcase their Systems Engineering expertise.
- Practitioners needing to keep up-to-date with the latest developments in Systems Engineering or wanting to participate actively in the evolution of the discipline.
- Academics, researchers and students, who will have the opportunity to showcase their research and research group through the poster sessions – funding opportunities are available.
- Systems Engineers who want to meet and network with other like-minded professionals.

For those working towards ASEP or CSEP, attendance at ASEC 2016 will earn you PDUs.

See our website: www.ASEC2016.org.uk for more information.

ASEC 2016 programme overview

This year we have made further changes to freshen up the programme:

- An introductory session introducing INCOSE UK and highlighting how you can get involved.
- 3x 45 minute sessions for Working Groups to use for briefings, meetings or workshops.
- A “Fringe” session each day providing an informal space in the programme.

As always, the conference dinner will provide an unparalleled opportunity to meet and network with other delegates, and will feature an after-dinner speaker.

Visit [www.ASEC2016.org.uk](http://www.ASEC2016.org.uk) for further information as the programme develops.
