

## ***INCOSE UK Ltd - Published Material Copyright Notice***

Please insert the following on the page after the front cover:

This publication is © <insert year> INCOSE UK Ltd and subject to the following restrictions:

- **Author use:** Authors, and their employers at the time of making their contributions, have full rights to use their contribution in a totally unfettered way provided that attribution is made to the material. Abstraction is permitted by authors provided that attribution is made to the original authors and to the material.
- **INCOSE UK Ltd:** Permission to reproduce this material and use it or parts thereof and to prepare derivative works from it for INCOSE UK Ltd use only is granted to current members of INCOSE UK provided that attribution is made to INCOSE UK Ltd and the original authors and this copyright notice is included with all reproductions and derivative works.
- **External use:** The material may not be shared or distributed to any non-INCOSE UK Ltd third party. Requests for permission to reproduce the material in whole or in part or to prepare derivative works of this material for external or commercial use should be addressed to the President of INCOSE UK Ltd.
- **Electronic version use:** Any electronic version of the material is to be used for personal use only and is not to be placed on any non-INCOSE UK Ltd sponsored server for general use. Any additional use of these materials must have written permission from the President of INCOSE UK Ltd.
- **Permissions:** INCOSE UK Ltd grants permission to current members of the INCOSE UK Ltd UK Advisory Board (UKAB) to post and use this document internally subject always to the preceding restrictions on external use.

INCOSE UK Ltd requires authors to certify the releasability of the material they contribute but undertakes no independent verification of releasability. INCOSE UK Ltd provides no warranty for use of the material in the ways described above nor for any other purpose.
