

# Material Release Policy

INCOSE UK

Final – December 2012

# Material release principles

- All INCOSE UK materials will be subject to the Release Policy
- Individual materials will be classified according to their scope of release (see later)
- The scope of release will be decided to balance confidentiality needs, member value and publicity for the organisation
- Every individual material will be furnished with appropriate IP release authorisation commensurate with its scope of release

# Default scope of release hierarchy

- UK Council only
- UK Working Groups and above only
- UK Members and above only
- INCOSE Members and above only
- Public domain
