

Booking Open: INCOSE UK Annual Systems Engineering Conference (ASEC) 2024

[For immediate release]

August 2024 - INCOSE UK is pleased to announce that booking for the Annual Systems Engineering Conference (ASEC) 2024 is now open.

ASEC 2024 will take place at the Edinburgh International Conference Centre (EICC) in Scotland, 5th to 6th November, 2024.

The theme for ASEC 2024 this year is “*New Beginnings*”. Within this, we intend to explore the following subthemes:

- Building on the Past
- Systems Engineering enabling a Sustainable Future
- Embrace Inclusivity
- Ensuring Systems Engineering Quality

As well as marking the 30th anniversary of INCOSE UK, the theme also reflects the inaugural year of IfSE (Institute for Systems Engineering).

ASEC is the UK’s leading Systems Engineering conference taking place over two-days. The conference attracts an extensive range of industry, government, and academia professionals. INCOSE UK hosted its first ASEC in 2010 and, now in its 14th year, the conference has developed to include technical presentations on contemporary Systems Engineering theory and practice, tutorials run by leading Systems Engineering Professionals, an exhibition of Systems Engineering organisations presenting their products and services, the Early Careers Forum, Professional Development Surgery, 101 session, advanced session, How to Publish a Book session and D&I session.

Day one concludes with the event dinner which includes the award presentation and the after-dinner speaker (TBA).

Registration is now open at www.asec2024.org.uk

INCOSE UK

INCOSE UK is a Professional Engineering Institution licensed by the Engineering Council. INCOSE UK acts as the UK Chapter of the International Council on Systems Engineering (INCOSE), a not-for-profit membership organisation founded to develop and disseminate the interdisciplinary principles and practices that enable the realisation of successful systems.

INCOSE UK holds an annual conference and a set of training events each year; has active regional, working and special interest groups; and publishes a variety of books, guides and other products tailored for UK members. Despite its focus on UK-specific needs, INCOSE UK attracts members from all around the globe. The 'flavour' of Systems Engineering most prevalent in the UK has developed into an open and inclusive practice that facilitates the application of Systems Thinking and Systems Engineering principles in domains outside of the traditional domains of defence and aerospace. In recent years, the membership of

Booking Open: INCOSE UK Annual Systems Engineering Conference (ASEC) 2024

INCOSE UK has widened significantly from its roots, expanding to include domains such as: automotive, rail, energy, civil engineering, space, medicine, and security. For more information, please visit www.incoseuk.org.

Annual Systems Engineering Conference (ASEC)

The Annual Systems Engineering Conference (ASEC) is INCOSE UK's annual flagship event that brings together an extensive range of professionals from an array of backgrounds, with the common interest of building upon their Systems Engineering knowledge and sharing ideas with their peers. INCOSE UK hosted its first annual conference in 2010, with the aim of creating the premium annual Systems Engineering conference in the UK. ASEC has grown to become the UK's foremost Systems Engineering conference.

Edinburgh International Conference Centre (EICC), Scotland

Situated in the lively core of Scotland's charming capital, the Edinburgh International Conference Centre (EICC) is renowned worldwide as a top-tier venue for conferences and events. Boasting unparalleled amenities and cutting-edge technology. The EICC is a multi-purpose venue for events from 50-2,000 delegates.

Accessible by various means of transportation, it sits just 10km away from Edinburgh International Airport, offering direct connections to over 100 UK and global destinations. Additionally, Edinburgh's Waverley Station is merely minutes away by taxi, while Haymarket Station can be reached within a 5-minute walk.
